

# SHINTAIDO NORTHEAST 2013 FALL GASSHUKU

September 27-29

## ***As Big As The Ocean***

*“We should...learn the power that nature has endowed us with and how to use it, for a man has a great deal of hidden power of which he is not aware.”*

*Shigeru Egami*

This fall, SNE will be holding its gasshuku at Horseneck Beach in Westport, Massachusetts. We plan on having 3 keikos on the beach, regardless of weather conditions.

Our format is more free-form than in the past. Attendees will be responsible for their own housing and most meals. We will go out for a group dinner, so please plan accordingly. SNE has reserved a house with limited space a short walk from the beach. Camping is available at Horseneck Beach State Reservation, adjacent to the beach (go to [www.reserveamerica.com](http://www.reserveamerica.com) for details).
